SOFT SKILLS

Decision Making
Team Work
Adaptability to change

HARD SKILLS

Design for Manufacturing
Mechanical & Structural Design
CAD/CAM Tools

INTERESTS

Powertrains
Mechanical Design
Graphic Design
Aerodynamics
Travelling

SOFTWARE

☆☆☆ ANSYS
☆☆☆ CATIA
☆☆☆ KISSsoft & KISSsys
☆☆☆ EXCEL
☆☆☆ PowerPoint

LANGUAGE

Spanish
English (C1)
Euskera (B2)
French (A2)

EDUCATION

Degree in Mechanical Engineering (Currently)

Faculty of Engineering of Bilbao
Estimated end : 2021
Specialization: Electrical Engineering & Mechanical Design

EXPERIENCE IN FORMULA STUDENT

Powertrain Group Team Member (2019/2020)

- Learning about electrical fields and wiring
- HV wiring FSB2021 designer
- HV Electrical Components Designer
- CAD Designer & Responsible
- Time planning & Budget management
- Cost & Manufacturing Team Member

Powertrain Group Team Member (2020/2021)

- CAD Designer & Responsible
- Manufacturing Processes
- HV Electrical Components Manufacturer & Assembler
- Cost & Manufacturing Team Member
- Manufacturing of parts in a 3-axis CNC milling machine.
